Represented in this matter by Joseph Grima, Chair of the Executive Board, hereinafter to be referred to as the Organiser, have agreed the following regarding liabilities / responsible for the work to be exhibited:

Event period and location

- Agreement duration is from week 41 up to and including week 44 2023
- Work location is Heuvel Eindhoven, Heuvel Galerie 133, Eindhoven
- Event is Graduation Show Design Academy Eindhoven

Work to be exhibited liabilities / responsibilities

- The Exhibitor is responsible for the safe and sound presentation of the work. Consider here the connection to the electricity supply (overloading), humidity in the space (paper), damage through the actions of guests (scratches, dropping things etc.), leakage of water or other fluids
- Fire is forbidden in any way, shape or form
- DAE is not liable / responsible for the theft or damage to exhibitor's work
- Any damage to, or theft of, works is not covered by DAE's liability
- DAE has insured the exhibited graduation work for a maximum of 25.000,- per incident, with an own risk of 1000,- per incident. The own risk shall be borne by the Exhibitor unless there is a clear reason why this should be paced with the DAE

Personal safety liabilities / responsibilities

- It's mandatory for the Exhibitor to follow the guidelines of the Organiser during build up, specifically regarding sprinklerinstallation and safety of Heuvel
- The Exhibitor is responsible for safe and sound work on location. This also applies to the use of equipment rented by Design Academy Eindhoven, such as ladders, lifts, drills, audio-visual equipment etc.etc.
- DAE is not liable / responsible for damage that occurs through the unsafe use of the above mentioned matters by the Exhibitor
- Any consequential damage (such as, but not limited to: disability, medical cost for the Exhibitor and/or visitor and/or DAE employee and/or freelancers working for DAE) through the actions of the Exhibitor is at no time insured or to be claimed from DAE or it's insurance
- DAE has the right to intervene with an Exhibitor's project if safety or obstruction of exhibition experience comes into question
- Exhibitor agrees to leave the space as found. materials such as dirt, bricks, wood and left over projects are to be discarded by the Exhibitor
- The Exhibitor is responsible for their own safety at all times
